NOTES AND PRECIS.

D.No. 3955 S.N. (1) cor.p. 1

S.N.1 / ₹ 314-29 (1) (E)

In accordance with the orders of the Govt. of India regarding the introduction of physical training, games and drill on a compulsory basis in the educational institutions administered in Central Areas, the Inspector of Schools had proposed a scheme of physical training for Municipal Schools, Aided Elementary Schools and the Govt. Training School in the C & M Station of Bangalore, and recommended the appointment of a Director of Physical Education for the Station. The scheme was referred to and approved by the Govt. of India. Accordingly the Inspector of Schools appointed Mr. Venkataraman as the Director of Physical Education with effect from 1-6-1934.

The Inspector proposes to depute Mr. Venkataraman for L.T. training in Madras. Under Fundamental Rule 9(6)(b)(i) a local Govt. may issue orders declaring that during a course of instruction or training in India a Govt. servant may be treated as on duty. The Hon'ble the Resdt. is not a local Govt. for the purposes of this Rule

nor

nor has this power been delegated to him. Sanction of the Political Department appears to be necessary in this case. Please see S.N. 5 and 10 cor.ps. 5 and 10 of F. 1421 of 1936, in which sanction of the Govt. of India was obtained to the deputation of Dr. Ramachandra Rao, Sub-Assistant Surgeon, Bowring and Lady Curzon Hospitals Bangalore, for the post-graduate Tuberculosis course held at the All-India Institute of Hygiene and Public Health, Calcutta.

In order to address the Political Department further particulars are required and they may be called for. As ⅓rd pay of the Director of Physical Education, C & M Station, Bangalore, is met by the Municipal Commission, it appears that the present proposal should be referred to them for their previous approval. But from the Inspector's letter it is not clear whether he has consulted the Municipal Commission. He may be requested to do so if he has not already consulted them.

The Inspector states that Mr. Venkataraman's usefulness would be greatly enhanced if he was trained to teach the ordinary school subjects in addition to physical training. ~~It is not known whether~~ apparently the Director will be asked to teach school subjects in addition to physical training. If so, ~~whether~~ will it be in the Municipal Schools, or in the Aided Elementary Schools? There are no Govt. Schools in the Station to which he could be attached. The question of justification of expense from MAT Revenues is involved

The file may if approved be sent U/O to the Inspector of Schools for further remarks

(7) I have not consulted the Municipal Commission, as it did not occur to me that a reference to them was necessary.

2. The L.T. course includes educational psychology and a study of the theory of education that would be extremely useful to Mr. Venkataraman in teaching his own subject; also at the inspection of Secondary Schools he could, if necessary, help me with the inspection of subjects other than Physical Education, and he would be of assistance to the Deputy Inspector and myself in drawing up courses of study for Elementary Schools (which has to be done from time to time). At present he is a specialist in one subject only, and his usefulness is not so great as it would be if he was a collegiate trained teacher as well. One other point is the fact that his mother-tongue is Tamil. As a trained teacher he could help the Deputy Inspector with the inspection of this subject at both Municipal and Aided Schools. Since he will be attached to this office, he will be one of the staff of three ~~entrusted~~ dealing with the inspection of elementary schools, and he must be prepared to carry out any work entrusted to him. Bangalore presents special difficulties in the matter of the inspection of schools in being a polyglot area and it is always a help to have separate persons to examine in particular languages. (The present Deputy Inspector's mother-tongue is Kannada).

I have no objection to the proposed deputation. But I consider that the additional qualification, while it may increase Mr. Venkataraman's utility to the Inspector of Schools and his Deputy, will not be of any special benefit to the Municipal Commission. The Municipal Commission, therefore, have sufficient reason to expect that the contribution payable by them should be waived during the period of Mr. Venkataraman's long absence of 9 months, unless a substitute is appointed.

Para 9 ante

At present the Municipal Commission bear ⅓ share of the pay of the Director of Physical Education in addition to ⅓ share of pensionary contribution and leave salary. The President, Municipal Commission, states that the Municipal Commission have sufficient reason to expect that the contribution payable by them should be waived during the period of Mr. Venkataraman's long absence of 9 months, unless a substitute is appointed. Under Fundamental Rule 127(c) a local Govt. may reduce the amount of recoveries or may entirely forego them. The Hon'ble the Resident is not a local Govt. for the purposes of this Rule nor has this power been delegated to him -vide Serial No. 32 of Appendix 4, Vol. II of the Fundamental and Supplementary Rules. It will be seen therefore that the sanction of the Political Dept. will be required to waive the recovery. Their sanction will also be required for treating the period of deputation as on duty- vide Fundamental Rule 9(6)(b)(i) read with Serial No. 1 of Appendix 4 of the Rules. In the circumstances it seems doubtful whether the Political Dept. will sanction the proposals unless very strong reasons are urged.

11

The chief arguement put forward in favour of the

the proposal is that the additional qualification will increase Mr.Venkataraman's utility to the Inspector of Schools and his Deputy in their inspection work. In this connection it may be mentioned that the inspection work in the Station was done hitherto without such assistance. It seems therefore undesirable in the present state of M.A.T. finances to formulate any proposals involving additional expenditure. It is not likely that the Political Department who are aware of the present state of the M.A.T. finances will sanction this expenditure.

12 If Mr.Venkataraman so desires, he can complete the course of training by taking all leave at his credit. No substitute need be appointed during the period and this will be a saving to Government.

13 The Inspector of Schools may if approved be informed accordingly.

15

With reference to paragraph 12, Mr. Venkataraman, who comes under the new leave rules, is eligible for only three months leave, while the course of training is from July '37 to March '38.

In Madras even college lecturers are required to undergo collegiate training, and as a former Principal of a Trainir College myself, I have no doubt whatever that training would greatly benefit Mr. Venkataraman and his work. As nc substitute is to be appointed and no additional cost to be met, I consider the deputation well worth while.

Since under F.R.20 a course of training is to be considered as duty, it seems to follow that the Municipal Commissic should continue the contribution already agreed upon, whether the incumbent of the post is on duty or under training. F.R.127 appears to leave the Commission no option in the matter.

On further consideration I am entirely against this proposal. Mr. Venkataraman has been appointed to run physical education in Bangalore. I can see no justification for our training him to do work for which he has not been appointed, & I am entirely sceptical as regards the permanent value of a Madras course in educational psychology & the theory of education to a man whose job is to teach games & P.T. I think that we are not justified in asking the Commission to pay for anything, nor in suspending for 9 months Mr. Venkataraman's work here in order to obtain benefits of such doubtful value. If we train him now & he helps the Inspector & Deputy Inspector, in another year or two he will undoubtedly be coming up for increase of pay or another

of the inspection work which he is doing. However, to run the games in these schools is going to be a whole time job, & he won't be able to do it properly if he is doing other work. The proposal may be refused.

19 I have seen Mr. Thompson. Please draft saying that the Hon'ble the Resident does not consider that the proposal is justifiable at present, & is therefore not prepared to sanction it.

21 Mr. Venkataraman, Director of Physical Education, C & M Station, Bangalore, has been granted 9 months leave by the Inspector of Schools, Coorg and Bangalore, with effect from 2-7-37, to undergo L.T. Training in the Teachers' College, Saidapet, Madras. The P.M.C. requests that the contribution payable by the Municipal Commission in respect of the post for the period of leave may be waived in view of the fact that no substitute has been appointed in his place during the leave period. At present (since the abolition of the Govt. Training School, Bangalore, ie., from 1-6-1937) the Municipal Commission bear ½ share of the pay of the Director in addition to ½ share of pensionary contribution and leave salary which amount to Rs 68-14-4 per mensem or Rs 575/- for nine months.

Under Fundamental Rule 127(a) the amount to be recovered monthly from the Municipal Commission will be half of the average cost of the post and not the actual establishment charges for each month, and under F.R. 127(b) contributions for pension and leave salary are also recoverable, unless the Political Dept. forego recovery under F.R. 127(c). It is clear therefore that whether a substitute is appointed or not, the Municipal Commission are bound to pay the contribution on this behalf. Even in the case of the post of the Matron which was kept vacant in the Isolation Hospital, Bangalore, for more than 5 years, the Accountant General Madras stated that no amount was refundable to the Municipal Commission in accordance with the above rules.

In this case we will have to recover from the Municipal Commission, C & M Station, Bangalore, about Rs 575/- for a period of 9 months though we do not incur any extra expenditure on thi account as no substitute has been appointed in the of Mr. Venkataraman.

30 1. The Municipal Commission pay for half the services of the physical director. Under Fundamental Rule 127, the amount to be recovered is half gross sanctioned cost which includes contributions for leave salary and pension in addition to the pay of the post.

Fundamental Rule 127(a) is clear that this recovery shall not vary with the actual expenditure of any month.

. If this rule is to be waived, sanction of the Government of India would be required under Fundamental Rule 127(c)

31 2. The Municipal Commission have a right to ask for the services of a physical director if they cannot do without one; but they cannot decline to pay the fixed amount of contribution levied under regulations because for some reason a substitute is not working. They however agreed to get on without a director.

3. This case is not on a par with the matron's case referred to in para 22 of the notes. In that case the post was not filled up for years and it could easily be argued that the post was not required at all and should have been abolished.

To

Sir,

I have the honour to state that Mr. K.S. Venkataraman, Director of Physical Education, has, on my recommendation, ~~been~~ been selected for L.T. training at Teachers' College, Saidapet.

I advised him to undergo collegiate training because his usefulness to us would be greatly enhanced if he was trained to teach the ordinary school subjects in addition to Physical Training, and the full course of training is only for nine months, i.e. from July 1937 to March 1938. Further, there is no need of a substitute during the period of Mr. Venkataraman's absence in Madras, and he has promised to return to Bangalore during the Lichalmas and Christmas vacations to watch and assist in the physical activities of the schools, with which of course he is already very well acquainted.

I therefore recommend that he be permitted to undergo the full course of collegiate training at Madras and that he be allowed a deputation allowance equal to half his present salary, viz. Rs.40-0-0, during the nine months of his stay in Madras.

I have the honour to be,
